

TESTEX AG. SWISS TEXTILE TESTING INSTITUTE

OEKO-TEX®
INSPIRING CONFIDENCE

CERTIFICATE

The company

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report SH015 180781.2

for the following articles:

Sunscreen woven fabric made of polyester yarn with polyvinylchloride coating, in white or coloured with 9 pigments and finished (produced with products accepted by OEKO-TEX® having flame-retardant properties); Blackout fabric made of white polyester base fabric with acrylic coating, coloured (in a limited range of 3 pigments: scarlet, golden yellow, black)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, product class IV have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for decoration material.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate SHWO 067744 is valid until 31.03.2022

Zurich, 09.04.2021
